

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF SOUTHEAST DAVIESS	)	
COUNTY WATER DISTRICT FOR	)	CASE NO.
APPROVAL OF A PROPOSED INCREASE	)	2006-00160
IN RATES FOR WATER SERVICE	)	

ORDER

Southeast Daviess County Water District (“Southeast Daviess”) has applied to the Commission for authority to increase its rates for water service. In its filing, Southeast Daviess requested permission to deviate from certain filing requirements of Administrative Regulation 807 KAR 5:001, Section 10.

Specifically, Southeast has requested permission to deviate from Administrative Regulation 807 KAR 5:001, Sections 10(6)(b) and (c), which require that if the applicant’s gross annual revenues exceed \$1 million, the application must contain the prepared testimony of each witness who will support the application. If gross annual revenues are less than \$1 million, the application must contain prepared testimony or a statement that the applicant does not intend to submit prepared testimony. In support of its request for permission to deviate from this regulation, Southeast Daviess states that because Commission Staff assisted in the preparation of this application, it does not intend to submit prepared testimony.

Southeast Daviess also requested permission to deviate from Section 10(6)(r) which requires the submission of monthly managerial reports that provide financial results for the 12 months in the test period. Southeast Daviess does not produce

monthly managerial reports and additional expense would be incurred to produce them at this time.

Administrative Regulation 807 KAR 5:001, Section 14, provides the Commission with the authority to permit deviations from its regulations for good cause shown. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the requested deviations are reasonable and should be granted.

IT IS THEREFORE ORDERED that Southeast Daviess's request for permission to deviate from the filing requirements of Administrative Regulation 807 KAR 5:001, Sections 10(6)(b) and (c), and 10(6)(r), is granted.

Done at Frankfort, Kentucky, this 14<sup>th</sup> day of June, 2006.
